I use Microcellular skincare products from **Guam** for the above facials. **Guam** is a patented seaweed formula, produced in Italy for a variety of products. Used by over 1 million Italian women for over 20 years.

All products in the microcellular range contain aquamadre, chlorella seaweed, rich in vitamins A, B, C, E and minerals such as zinc, copper, magnesium, calcium, iron and phytoplankton, which is rich in Omega 3.
